

Aqium Antibacterial Hand Gel 375ml

Item Code: 11.375ML

Product Description

Kills germs without soap or water.

Aqium Gel is a new antibacterial hand gel, which contains alcohol as the antibacterial agent. No washing or toweling is required as Aqium Gel air dries in seconds and is perfect for hands on the go. With added moisturisers to help prevent drying, Aqium gel leaves hands cool, clean and free of germs.

Product Information:

- Convenient and refreshing antibacterial gel.
- Does not require the use of soap or water.
- Air dries within seconds.
- Contains added moisturisers to prevent hands drying.
- Lightly fragranced.
- Suitable for normal, non-sensitive skin.

Directions

Apply 1 to 2 pumps to dry hands, ensuring thorough coverage. Allow hands to air dry. No other washing or rinsing is required after use of this product. For soiled hands wash or use a cleanser first.

Ingredients

Ethanol 66%
