BioClean DB™

STERILE POUCH STYLE MASK

BioClean DB™ Sterile Pouch Style Mask comes from the renowned **BioClean** range of products.

The **BioClean DB™** Sterile Pouch Style Mask has an innovative, patented spacer which maintains a clear breathing space for the wearer, improving the overall comfort and ease of breathing.

The **BioClean DB™** Sterile Pouch Style Mask has knitted headbands and all seams are ultrasonically bonded. The plastic coated, soft malleable steel noseband is fully enclosed.

The **BioClean DB™** Sterile Pouch Style Mask outer and inner facing layers are constructed of spunbond non-woven polyester with the middle filter layer of meltblown polyester. The spacer is a non-latex band.

The **BioClean DB™** Sterile Pouch Style Mask is supplied Gamma Sterilised and is suitable for use in ISO Class 4 and higher environments.
