

CRG Micron™ Tacky Mats

CRG Micron™ Tacky Mats are scientifically engineered and manufactured to provide the most efficient control of footborne contamination. The strong adhesive surface of the CRG Micron™ Tacky Mat traps contamination, removing microscopic dust particles and bacteria from shoes and wheels. The CRG Micron™ Tacky Mat guarantees maximum efficiency when placed at the entry of your cleanroom, computer or hospital environment.

Specifications

Base Material:	Low Density Polyethylene
Adhesive:	Solvent-based acrylic
Sticky Strength:	500g/25mm (Tolerance: ±50g)
Heat resistance:	70 °C for up to 48 hours
Thickness:	1.8 mm / mat
Colour:	Blue
Size:	45.7cm x 114.3cm
Packaging:	30 sheets/mat, 10 mats/carton
Re-order Code:	MS-A01
